## How you can access or correct your information or ask us to delete it

You can access any of your personal data that we have collected by requesting it via email to [wantagemvc@btinternet.com](mailto:wantagemvc@btinternet.com).

Similarly, you can ask us to correct any factual errors in your personal data or ask us to delete it by email to [wantagemvc@btinternet.com](mailto:wantagemvc@btinternet.com). Please note, however, that we will only be able to correct personal data if the error to be corrected and the correct information are clear from the email we receive. To protect your privacy and security, we will also take reasonable steps to verify your identity before granting access, making corrections or deleting information.

## Our Commitment to Data Security

To prevent unauthorised access, maintain data accuracy, and ensure the correct use of information, we have put in place appropriate physical, electronic, and managerial procedures to safeguard and secure the information we collect.

## Our Commitment to Children's Privacy:

Protecting the privacy of the very young is especially important. For that reason, we never collect or maintain information at our website from those we know are under 13, and no part of our website is structured to attract anyone under 13.

## Cookies

WMVC uses Google cookies (*\_utma*, *\_utmb*, *\_utmc*, *\_utmz*) to monitor and record visitor numbers to and activity on its public website. We use this information to compile reports, improve users' experience of our website, and customise our advertising. It gives us useful insight into how users are engaging with the website.

The Choir has implemented a pop-up box on its website that will activate the first time a user visits the website. This allows them to click to consent (or not) to continuing with cookies enabled. We use site cookies (*site\_cookies\_accept*) to track whether a particular user has dismissed the cookie banner. These prevent the banner from appearing again, once it has been dismissed. Anyone who wishes to disable cookies before proceeding can do so by amending the settings in their browser.

## How to Contact Us

Should you have other questions or concerns about these privacy policies, please send us an email at [wantagemvc@btinternet.com](mailto:wantagemvc@btinternet.com) or get in touch via our "contact details" page.
